Thanksgiving, a time to recognize God's blessings

BY MICHAEL KLETT, GRAND KNIGHT

My Brother Knights, can you believe it? It is already November bringing us Thanksgiving Turkey and pumpkin pie.

Our Columbian year is going by more quickly than I anticipated.

Thanksgiving for me is the second best holiday of the year. The best is Easter and Christmas is third.

Thanksgiving is a holiday that doesn't try to force much on us beyond prayer, giving thanks, and enjoying a meal with family. Things that we should be doing all year long anyway. It

Happy Thanksgiving 2015

is a gentle reminder of how we should be living.

So let us celebrate Thanksgiving this month with family, friends, prayer, thankfulness, and good food. Let us remember those

less fortunate than ourselves and invite others to join in our celebrations.

The Parish Festival was a success

Welcome to 4th Degree, Sir Knights

Each year the Knights of Columbus exemplifies Knights to the highest level of the order. This exemplification is the Fourth Degree and the theme is Patriotism.

On Oct. 3 a total of 64 officially attained that degree, nine of which are members of our Council. Since all 264 are our brothers, they are now called "Sir Knights."

That's more than just a title, it is an honor.

It is an added opportunity to make a difference as a true Catholic, American Citizen.

Our need for strong role models has never been greater. If true religious freedom is to survive, democratic nations need greater commitment from people of faith.

This is what the Fourth Degree represents.

Still time to help with ID Drive

You still have an opportunity to help your Council collect funds for the Intellectually Disabled. Collections were taken at the Church and Albertsons in October, so Stater Bros. is next Nov. 6-7-8 followed by Walmart Foothill Ranch on Nov. 13-14-15.

Students are set, but supervisors are needed for 2-hour shifts. Call me at 949-813-4320 or email me at john.ojeda@cox.net to help. I will put you in touch with the site captain.

Knight of the Month

Patrick Bole

BY PAT LARKIN, CHANCELLOR

My brothers, it gives me great pleasure to announce our Knight of the Month for November, Patrick Bole.

Pat joined Santiago de Compostela Parish in the early 1980s and became a Knight shortly thereafter. He and his wife, Robin, live in Lake Forest. He spent 20 years as a Marine Corps pilot flying F-18s out of El Toro and Miramar and has been deployed all over the world. After retiring from the Marines, he became a pilot for United Airlines, still his employer.

A Fourth-Degree Knight, Pat has spent hundreds of hours volunteering for the Knights and the parish in general. Recently he spent several days at the Parish Festival setting up, running electrical, hanging signs in the booths and then actually working the event. Afterwards, he helped clean up and break everything down.

You'll also see Pat at recycling once a month if he isn't flying.

But as much time as he spends at Knights events, Pat says his favorite thing to do is our community dinners. You'll usually see him bent over one of the sinks doing dishes and helping to clean up. Anyone who knows Pat knows the pots and pans are cleaner when he's done than they were before we started.

He's so dedicated to the kitchen that he is self-proclaimed president of the AFL-CIO Chapter 9487 Association of Local Dishwashers.

Thanks for all you do, Pat, and thanks for being a great friend!

Family of the Month

Tom and Diane Sixsmith

Our Family of the Month for November is Tom and Diane Sixsmith, the second time in a little over a year that the Sixsmiths have been so honored.

Tom and Diane live in Lake Forest and have been parishioners at Santiago for 28 years. They have five children: Jennifer, Jeffrey, Kristine, Tommy and Stephanie.

Tom joined the Knights last year and was recently asked to run a program to help rehab and maintain the kneelers in the church. He's usually seen every month at recycling and also enjoys helping out in the kitchen. He's a third-degree Knight.

Diane was in charge of decorations for the Parish Festival. She also has been involved in Vacation Bible School and helps train the Bible Study teachers at the parish.

Tom and Diane are both originally from Pittsburgh, PA and met in high school. Tom runs an engineering and fabrication department and Diane makes specialty candies for fund-raising events and weddings.

Both have also been long-time community volunteers as well.

Thank you to the Sixsmith family for being such great volunteers at Santiago!

Insurance Report

The value of membership referrals

BY MARK YUBETA, KofC AGENT

As a professional insurance agent, one of the things I appreciate most is when one of my brother Knight clients or his wife refers another member to me.

This is a great endorsement of the service I provide. It tells me that they were so pleased with what I helped them accomplish that they want me to help others achieve the same level of financial safety and security.

When I meet with you, please pass along the names of those who might be able to benefit from the analysis that I provide.

Similarly, there is no stronger membership recruiting tool than the referral. How many of us know an eligible Catholic male who is not a member of the Knights of Columbus?

Do you have Catholic family or friends, local or not, who have yet to join? Most likely, they've never been asked and don't know enough about the Order to seek out membership on their own.

If you have names of potential members, please

pass them along to me or your Grand Knight. Let us know if we can use your name when we contact the gentlemen in question. It's always more effective to tell a candidate for membership that he was recommended by a current member, especially someone he knows.

Don't worry if the candidate is outside the area I serve or beyond the district of the local councils. We can make sure we put these future members in touch with the right people in their communities.

New members are the lifeblood of the Order. All the good deeds done by the the KofC are driven by members. Over the past decade, Knights have given more than \$1.5 billion to charity and provided in excess of 670 million hours of service. And our membership has merely scratched the surface in North America. Imagine the potential.

Call me at (949) 322-7266.

Chancellor's Report

A slow climb from the abyss of hypocrisy

BY PATRICK LARKIN
CHANCELLOR

It's confession time. I'll admit that I'm in a bit of what I call a "Faith Funk."

My faith journey, and I'm sure plenty of you will agree, has been a series of peaks and valleys. Most of the time, I'm flying high, filled with the Holy Spirit. But every once in a while, I nosedive into the abyss.

I stop going to Mass every Sunday. I don't sign up regularly as a Children's Liturgy reader. I start to ignore my family at Santiago.

How will I cure my funk?

A trip to confession with Father Robert or Father Greg will definitely help. Another is getting back to reading my daily devotional.

Patrick Larkin
Recently, in a week-day Gospel reading, Jesus chided the crowd he was speaking to by calling them hypocrites.

It hit me hard. As much as I hate hypocrisy, I am a

hypocrite. I put much more time worrying about my job, the weather, what my neighbors are doing than what is happening in my own heart.

The great British writer and theologian G.K. Chesterton was once asked what was wrong with the world.

His response was simply, "I am."

So, what does this have to do with the Knights and our parish? For the most part, I think we do a pretty darn good job.

But if we see something that needs fixing, let's not blame someone else. When someone says what's wrong with the Knights, we should respond, "I am." And work to fix it.

I want to thank all of my brothers for throwing the rope to pull me from my abyss of hypocrisy. I'll start pulling myself back up with your help.

Here's some more great stuff from St. Paul from his first letter to the Corinthians:

"So, my dear brothers, keep firm and immovable, always abounding in energy for the Lord's work, for being sure that in the Lord, none of your labors is wasted."

1 Corinthians 15:58.

Pray for World Peace

Gene Ganley Recycling Report

October was good (\$1,926), but more help is needed

BY GEORGE NOTHHELPER, RECYCLE CHAIRMAN

Newsworthy Events: October was a very good month (\$1,926) and Saturday was a poor showing of our brother Knights. I am grateful for all the Knights that came to assist us in our endeavor. We should have teens on our next recycle Saturday on Nov. 14. We have seen an increase in the weekly dropoffs at the drop off area and we thank all who are participating.

Improvements: We will be making some improvements to the recycling area with a cover we will build over the area where we sort high-grade paper and store it for pick-up. We will also add a roof over the drop-off area. In both cases this it to protect the recyclables from rain. With the upcoming wet weather, it will be needed.

Increases of Products: We have seen a significant increase in the weekly dropoffs of all items including books.

If any of you are aware of any architectural firms in the area we would like to contact them to pick-up their drawings. We just picked-up another firm this last month. That paper is of great value since it falls into the category of high grade.

Camp Pendleton Books: We not only recycle the books but all children's books are sent to Camp Pendleton for the children. If you have any children's books that you would like to donate please drop them by and we will have "Bogie" take them down on Monday mornings. The families and children are very grateful for these books.

Ronald McDonald House: A lot of you may not be aware of it, but every recycling Saturday, Bonnie and Leaf Ranestad come to take the tabs off aluminum cans. There are lots of bags to go through since we save them through the month.

Any hands are welcome to assist in the very worthwhile program. This is a very noble program that provides assets for parents to stay with their children while going through treatments. This is "God's Work."

We need more of you fellow Knights to support the program by dropping off your recyclables. This can be done anytime at the recycle area. We have seen an increase in Knights supporting our Saturday recycling program and we are truly grateful.

As they say the best support and programs begin at home and right know they are falling well short. You may not realize how important this program is to our council or we would have greater support. We have made Star Council but not much of a star in support of recycling. All it takes is 20 minutes to drive church and drop off your recyclables any day or night.

- If dropping off books, magazines, paper or glass place them in the area provided by the trailer and close the gate when done.
- If you are dropping off aluminum cans or plastic bottles, please

District Deputy's Message

Third Degree ceremonies are a team-building effort

BY JOHN PICCOLO, DISTRICT DEPUTY 116

There were many important activities last month including Council ID Drives and Church membership drives. I have great respect for all four Councils and know that whatever programs undertaken in the future, they will be successful.

Hearty congratulations to Council of the Rock-15719 for hosting a most successful Third Degree in September. Twenty-five Brothers including two priests were elevated to full Knighthood in our Order.

Although this was a small class, it was still a financial success. My goal is to have each of my Councils host one Third Degree and I have just one remaining. Each has been such a benefit to the Council, that some have asked to hold another.

This is an easy team-building event so officers please discuss, contact your Parish to reserve your hall then contact me for confirmation. I need to request a date from the State Ceremonial Chairman six-to-eight weeks in advance.

One of my favorite Masses of the year is Thanksgiving morning and this must be the same for others as I often see many Brother Knights in attendance.

This is a chance to thank the Lord for all of our blessings with no requirement from the church. My wish for you and your families is a joyous Thanksgiving and Christmas season.

OL Guadalupe documentary airing on ABC

NEW HAVEN, CT - We are proud to announce that a new Knights of Columbus produced documentary film on Our Lady of Guadalupe began airing across the country on Nov. 1 on ABC stations.

Narrated by actor Jim Caviezel, "Guadalupe: The Miracle and the Message" paints an inspiring picture of the history, facts, legacy and continued relevance

of Our Lady of Guadalupe throughout the western hemisphere and beyond.

The airings are part of the Visions and Values Series and have a broadcast window through Dec. 10.

...

Over the course of four days in December 1531, the Virgin Mary appeared to an indigenous convert named Juan Diego. Most experts and historians affirm that more than any other, this event, and the image miraculously imprinted on Juan Diego's tilma (cloak), has resulted in the mass conversion of millions of Native Americans to the Catholic faith.

The message of Our Lady of Guadalupe helped build bridges between the two worlds and began the transformation of our continent.

Her appearance compelled people and cultures to unite under her mantle of compassion and charity in a way that didn't

GK REPORT

cess and I thank all of the Knights and their families that helped with that major effort. Half of the ID Drive is behind us and half is yet to come.

Coming up we have the Wheelchair Drive on Nov.14-16, the Thanksgiving Dinner Nov. 14, and the Red Cross Blood Drive Nov. 24. There is also recycling.

Please help and participate when are where that you can. Even more importantly, get a hold of a Knight you haven't seen in a while and have them join you. The Knights of Columbus is a Catholic Lay Fraternal Service Organization.

As part of the month of Thanksgiving let us focus on the fraternal aspect.
