YEAR OF SAINT JOSEPH
December 8, 2020 - December 8, 2021

Grand Knight's Report

Brothers, it's that time of year again.

"What's the GK talking about? Valentines? The Super Bowl? Uh... Groundhog Day?"

No, no. It's time to pay our dues.

"Dues! Drat. Already? Why do we have to pay dues anyway?"

Well, that is a valid question. Obviously, I have a few thoughts.

The Knights of Columbus is a Worthy Organization Deserving of Your Support: The Knights are saving the lives of Christians in the Holy Land, championing the rights of unborn children, aiding the victims of natural disasters, to name just a few charitable projects. Locally at our own council, witness the many parish events and services we organize and the many charitable gifts we make every month which are read aloud at every Council Meeting.

You get benefits including the Columbia magazine and access to excellent insurance products, to say nothing of being a part of a great group of Catholic brothers who can help you put your faith into action.

It's a bargain: Annual dues are \$43.65. I put gas in my car the other day and it cost me more than \$43.65. Getting take-out for my family was way more. My car will need gas again in a couple weeks, and my family will be hungry again tomorrow, but your Knights of Columbus dues are good for the entire year.

It's easy. Just mail back the invoice sent to you by the Financial Secretary along with a check. You can also pay online with a credit card or PayPal using the link on the council web site (www.kofc9487.com).

Not paying hurts the council. This one might require a little more explanation. It is more than the council missing out on unpaid dues. The council retains only a small portion of your dues. The lion's share goes to Chapter, State, and Supreme -- to fund those levels of the organization. But, here is the rub - the council must pay the Chapter, State, and Supreme their shares of your dues, whether you pay the dues to the council or not. These are the many "Per Capita" expenses you might have heard read aloud at Council Meetings.

So please pay your dues and do it now while you are thinking about it.

What if you are going through a financial hardship? I remember when I lost my job a few years ago, parting with even a small amount of money was difficult. Do not despair. The Knights of Columbus is a brotherhood. Brothers who wish to remain brothers are never left behind. It is important, though, for you to contact the Financial Secretary. He will work with you, but he has no way of knowing your situation unless you tell him.

Thank you for continuing to be a Knight of Columbus!

District Deputy's Corner

The California State Council just held their Novena for life. My attendance at the Novena was not perfect but I did participate in a few of the evening Novena sessions. I hope you did as well. They were very moving and uplifting.

Our order supports life in all its forms, the unborn, the elderly, the terminally ill, and the intellectually handicapped. If you ever wondered why the Knights of Columbus have supported the Special Olympics from the beginning this is why. But with the anniversary of Roe v. Wade we are moved to pray for the unborn.

For reference, I'd like to quote the Catechism of the Catholic Church:

Paragraph 2322: "From its conception, the child has the right to life. Direct abortion, that is, abortion willed as an end or as a means, is a "criminal" practice (GS 27 § 3), gravely contrary to the moral law. The Church imposes the canonical penalty of excommunication for this crime against human life."

This is serious stuff and not up for debate. We can judge an act as evil (abortion is evil) but we are to love the person even when they commit those acts of evil. It's a hard road, but we followers of Christ are called

But let me clarify. Some in our society, including some of our politicians, are in favor of abortion. In fact, it seems that they celebrate abortion. We can condemn those actions, but we must love the sinner. After all, aren't we sinners as well and desperate for God's forgiveness just like them? I know that I

We don't know why, in fact we can't know why, a mother chooses to abort the life of her unborn child. I won't claim to know why some politicians support abortion. But out of love for them we must pray for them. We must beg our Lord to forgive them as Jesus did for us on the cross. We must truly want them to be a saint, that is a resident of Heaven. I ask you to commit yourself to praying for them and to desire that all may enjoy Heaven after life on this earth.

February is the month of St. Valentine. There will be many articles about who the real St. Valentine is so I won't belabor the point here. I encourage you to read about St. Valentine and the lives of the other Saints. Who better to be a role model for our lives?

Our Columbian year end is approaching faster than I would like. It's not too early to start thinking about next year's officers. Perhaps you are being called to take an officer's chair. Your council needs you. Please prayerfully consider it.

And to the current officers, it is not the time to "let up on the gas". Have you achieved the goals you set for you and your councils this year yet? Winning athletes continue to run hard until after they have crossed the finish line. We are not at the finish line yet so we must continue to run and run hard. In fact, we may even be approaching the point where we start our sprint for the finish line. Don't let up now but strive to finish your goals for the year.

Vivat Jesus!

However, I want to caution you not to commit the grave sin of judging other people. We can judge an act as evil (abortion is evil) but we are to love the person even when they commit those acts of evil. It's a hard road, but we followers of Christ are called

KNIGHT OF THE MONTH - TIM TUNILA

by: Ricardo Teano

Our unanimously selected Knight of the month, Tim Tunila, will be most surprised when he reads this article. He said he is in the process of moving to San Clemente and might transfer his membership there. As emphasized by our GK, this monthly recognition is based on what a knight has done, not on what he will do.

And Tim has done a whole lot for our Council. He is a constant, reliable help at the recycling. With his big truck and sunny disposition, he does the heavy work of collecting bulk containers full of very heavy bottles from areas arranged by Commander George to pick up. At the end of each recycling, Tim loads the heavy unwanted junk and trash in his truck for disposal. With his carpentry skill and his tools, he helped Domingo build the new designated Drop Off structure that is now bigger, more systematic and appears to be more convenient to parishioners who donate recyclable items 24/7. Come by and see the newly constructed drop off green structure. Don't forget to bring your donation.

Tim is a knight of two years and a passionate contributor to several Church and Council fundraisers like the wheelchair drive, etc. Tim is so amazing to work with and will be missed. He calls his recycling buddies as a great group of guys and ladies. He is at present evaluating his future involvement with council and his bonds with his brother knights. The Recycling program is his main direction. He said he is still unpacking moving boxes at this time.

We will be calling you Tim when we can have our morning pancake breakfast again.

Congratulations to Tim as our honored Knight of the Month.

FAMILY OF THE MONTH - TOM SIXSMITH

by: GK Ken Breneman

Since joining the Knights in May 2014, Brother Tom Sixsmith and his wife Diane have been named Family of the Month several times, and for good reason. There is certainly not another couple at Santiago more involved and generous with their time than the Sixsmiths.

Diane & Tom Sixsmith

Their Church activities have included the Lector Ministry, VBS, RCIA, Friends in Faith, Women's Circle, Bible Study, and the Parish Festival. As a Knight, Brother Tom has run the council's Kneeler Repair and Mistletoe programs and has volunteered regularly at Recycling and Knight's dinner events.

This year, Brother Tom is again chairing the council's Bill Breen Tootsie Roll Drive for Special Needs. The Pandemic has thrown many a wrench at this program, but Brother Tom has stayed focused on what CAN be done, and this important fundraiser is on-track to have a great year, despite the difficulties.

You might have noticed Diane in December outside of Church running the successful Operation Shoebox for the parish, something she has done for many years now.

Tom and Diane are both originally from Pittsburgh. They have been Santiago parishioners since 1988.

They have five adult children and two grandchildren.

Congratulations Tom and Diane.

Thank you for all you do!

BOLD DENNIS DEROSIA IS NOW A SIR KNIGHT

by: Ricardo Teano, Retention Committee

The spirit of Patriotism is a very strong attribute of Dennis. He is a veteran of the American Legion and therefore did not hesitate to keep on reminding me when is the next Fourth KOFC Degree of Patriotism.

The day finally come as an in-person Exemplification in Northern California is beamed online. The day is January 30, 2021, at St Timothy video area, with eight candidates present. Dennis got his wish to be conferred and knighted to the Patriotic Degree. Technical glitches happened during the ceremony, but Dennis said it did not matter because the message got delivered to the right spot.

Thanks to Ben Niewinski and Ricardo for attending the degree as sideliners.

January Food Drive

Worthy Brothers - One of my favorite verses from the Bible is Matthew 25:40; "And the king will say to them in reply, Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me." What a great verse to live by.

We had another great food drive this past month, collecting 1768 pounds of food and \$965.00. We have now collected over 4 tons of food and over \$4000.00 in the past 3 months. What an amazing effort by our entire Parish.

We have been putting in the man hours to help make this happen, but the real driving force is Lily Ellis, wife of Brother Wayne Ellis. She is a longtime volunteer for South County Outreach and arranges all the pickups and collection bins for us. Together with the countless volunteers from our Brother Knights, we have made a difference in our community.

The demand for food is greater now than any time in our lives and is very much appreciated. Our next drive will be on the 3rd Saturday in March. Going forward we are going to be having our food collection drive thru events every two months. Let us continue our efforts in making sure to leave no neighbor behind.

Thank you again for all your efforts.

Brother Vince Vasquez PGK.

Have You Insured Your Most Valuable Asset?

Is your income protected if you become sick or injured and cannot work? Your ability to work and earn an income is your most valuable asset. Yet a disability could prevent you from earning that income. Just one year of a disability could eliminate your savings.

Income Armor, an individual disability income insurance product from the Knights of Columbus, should be a key part of your overall financial plan and family's protection.

If you are ill or injured, Income Armor provides tax-free monthly benefits to help you meet living expenses and maintain you and your family's standard of living. Your monthly benefits help you pay your mortgage and other monthly bills, while your savings and retirement assets remain intact.

In short, if you have a job and don't have a way to protect that paycheck, you should seriously consider Income Armor today. I look forward to meeting with you.

News Worthy Events:

Our proceeds for January were **\$1,033**. I truly thank all of you who are assisting in sorting the items dropped off. You are doing a GREAT job!!!!

Weekly Recycling: We completed the training for weekly recycling, and it went very well. If anyone else is interested, please contact Al or Me. The more folks we have the faster the job goes. Look forward to hearing from more of you. George (949-500-3187).

Recycling is the major and very important program for our council to raise money and you are the key to this program. Any help you can offer is greatly appreciated. Be sure to drop off your recyclables anytime and spread the word to all that they can do the same. Let's keep our program HEALTHY. Be sure to wear your masks when others are there.

Epidemic Pandemic

© **By Edwin W. Smith**

The world was quite excited

To see what it would bring

The 2020 decade

'twas hoping for a fling

Alas, that did not happen

And it was not to be

The universe had other plans

And set a virus free

It wore a crown known as Corona

And killed without discrimination

In Arizona and in Barcelona

And infected every nation

We all were asked to wear a mask

Which covers up God's grace

We could not see a person's smile

Or their entire face

To conquer this small evil

We washed our hands all day

And sanitized what we might touch

To keep this pest at bay

The order was "no gathering"

And stay six feet apart

No wedding bells or funerals

Which broke a lot of hearts

The race is on for a vaccine

To end this life of fear

And get us back to work and school

And once again live free and clear

What we call, "The Present Moment" is so fast,
so fleeting

that by the "time" you realize that

the "present mo" is present, it's already fled--
gone, man, gone!

I'm ready to unload my waste, feeling much like
when I sometimes enter the church confessional
